## Caring for our Common Home November 15, 7 pm, St. Thomas More

One of the tenets of Catholic Social Teaching is our call to Care for God's Creation and our home. Dan Misleh, founder of Catholic Climate Covenant, will share with us the details of the current climate crisis, Pope Francis' latest Apostolic Exhortation [Laudate Deum](#) ("Praise God"), and what we as individuals and parishes can do to address this global threat. There is also a pledge that you can take [here](#).

## Building a Culture of Life - Recap

On Tuesday October 3rd the Adult Faith Formation Offering "Building a Culture of Life" was held at St Thomas More Parish. This program was co-sponsored by the Diocesan Life & Justice Office. In this presentation we heard from two action groups that help to build a Culture of Life in our Society today: "Generation Life" and "Embrace Grace". Generation Life helps to educate young people on the virtues of love and chastity. Their curriculum is positive and life giving. "Embrace Grace" reaches out in love and support to women dealing with unplanned pregnancies. The sharing by all the speakers was very informative and well received by all in attendance. Attendees were inspired to support both of these action groups and wanted to learn more about their ministries.
