Third Sunday in Ordinary Time—Jan. 26, 2025

PARISH MISSION & VISION STATEMENTS

Mission (Purpose)

Through the Sacrament of Baptism, we the Catholic Community of St. Thomas More respond to our call to holiness.

Vision (Goals)

Empowered by Baptism, inspired by the Holy Spirit, and formed by the Word of God and the Sacraments, especially the Eucharist, we live out our Mission by working together:

- To structure prayerful, vibrant, participatory, Sunday worship experiences.
- To provide Life Long Faith formation for all age levels.
- To care for the young, the old, the sick, the hurting and the needy, both inside and outside our parish.
- To promote faith sharing, prayer, support, learning and listening to one another as a model for nourishing and sustaining our faith community.
- To welcome back, with hospitality, those who have left our faith community.

The House of God is such a special place to be. You may have heard people refer to a church congregation as “the body of Christ.” This is because the bible explains us each as individual members of one whole body.

3rd Sunday of Ordinary Time

Live Stewardship

“Go, eat rich foods and drink sweet drinks, and allot portions to those who had nothing prepared ...” NEHEMIAH 8:10

Ezra's instructions to the people show us that God does not forbid us from enjoying the good things in life. He wants us to be happy! However, God expects us to be grateful for all that He has given us and to generously share our blessings with those who are in need. Now here's the hard part – to share in Stewardship, without expecting anything in return.

From the Pastor's Desk

Concern for the Most Vulnerable

Dear Parishioners,

This past Wednesday, January 22nd, was the *Day of Prayer for the Legal Protection of Unborn Children*. I wonder how many people were even aware of this?

When *Roe v. Wade* was officially overturned by the Supreme Court on June 24, 2022, I stated that the battle for the rights of unborn (or preborn) children would need to continue on the local (i.e., state) level. New Jersey and its current majority of legislators are, sadly, by no means “pro-life.” Rather, the call for the protection of so-called “abortion rights” unfortunately continues. Do we ever seriously contemplate the rights of all the vulnerable children yet to be born?

In actuality, the *right to life, liberty and the pursuit of happiness* is clearly stated in the **U.S. Declaration of Independence**. Our founders recognized that people have a right to live in this world. Logically, if humans create a new human life, then that new person now has a right to exist. (This is abundantly clear even before we intensify matters by bringing any mention of God or *morality* into the picture.) From a merely human perspective, *innocent, vulnerable human life needs protection* in similar manner to various legislation enacted to protect the bald eagles' eggs, baby seals, elephants from being hunted for their tusks, dogs from being used in deadly dogfights, etc.

As Christians, we take this situation a step further by realizing that every person is created in the image and likeness of God. We believe that God elevated our human dignity by becoming one of us in the Incarnation of Jesus. We acknowledge that every born or preborn baby has both a developing body and an *immortal soul* destined for eternity. We hold to timeless precepts such as *Thou shalt not kill*. We believe that medicine and technology minimally should *do no harm* to the patient (human person), and certainly not deliberately destroy him or her in the womb.

The problem now exists where people have become much *too comfortable in their sin*. What might have seemed so obvious in the past—a grave sin or repulsive evil—is now accepted or even glorified. Sin dulls the conscience and blocks the intellect. The lies that have been uttered over and over again begin to be believed and then held as “truths” and “rights.” Good becomes bad and bad becomes good. Our world winds up upside down.

Unfortunately, too many people do not want to upset the status quo. *Keep your mouth shut!* Previously, you would seriously risk being cancelled. I hope people are beginning to wake up and not fear to speak up! Free speech is something guaranteed in our Constitution—the **Bill of Rights**, to be precise.

Yes, we have a long way to go before things change for the good. However, left without resistance we see **evil** advance in (formerly, *obviously* repulsive) acts like infanticide, euthanasia, the acceptance of pedophilia or ephebophilia, a distortion of *marriage*, recognition of sodomy (and other acts) as sexual alternatives, dissatisfaction with one's gender, propagation and use of artificial contraception and various abortifacients, a flourishing pornography industry, etc. etc. This could never happen in an enlightened, civilized society, could it? Just look around you. Our societal values resemble pagan and not **Christian** cultures.

While the message of the Gospel is suppressed, minimized, mocked, and seen as outdated and irrelevant, what will it take to *bring people to their knees* and acknowledge the need for **Jesus Christ** and His true Church? I truly fear to ask this question.

Our families are one of the most effective ways we can teach others about the value of all human life. Whether we choose to be patient and loving—or the opposite—shows how important others' needs are to us. This indicates how much we value human life because our ethics necessarily originate with the persons whom we love immediately, without thinking and without question, who are supposed to protect us, guide us, and love us unconditionally. If our family members do all these things, then we learn to extend the same to those we are familiar with and eventually all of humanity, united by our Creator and our nature. If they do not, then all of society is threatened by selfishness of the most insidious variety—the kind learned from childhood and eventually ingrained in us by our first guides and protectors. We are called to be examples in how we treat our family members, especially for victims of society's dissipation, and not contributors to it.

Third Sunday in Ordinary Time—Jan. 26, 2025

Please note that we put the following week's Gospel passage in this space so you can prepare all week for Proclamation of the Gospel the following Sunday. Faith Sharing helps ordinary people connect their faith with everyday life experiences.

Excerpt from the Gospel for the Presentation of the Lord, February 2, 2025 – Luke 2:22-40

When the days were completed for their purification according to the law of Moses, Mary and Joseph took Jesus up to Jerusalem to present him to the Lord, just as it is written in the law of the Lord, *Every male that opens the womb shall be consecrated to the Lord.*

Commentary:

Mary and Joseph fulfill the Law of Purification for all new mothers, not because they needed to be cleansed, but because they wanted to avoid giving others scandal. The elderly Simeon calls the Child “the light to all nations.”

Questions for Reflection and Sharing:

1. What is God saying to me in this Gospel passage?
2. What word or phrase in this Gospel speaks to me?
3. What word or phrase in the Reflection resonates with me?

The Faith and Justice Team would like to ask for your financial support of our Society of St. Vincent de Paul. The Society represents our parish community by doing some of the Faith and Justice Team's works (care for our neighbor - Immigrants and those experiencing food insecurity).

Monetary donations can be left in the parish office or given to a St. Vincent de Paul member after Mass on the 3rd weekend of the month. Thank you!

Here is the latest update from the Society of St. Vincent de Paul and their support for new refugee families.

An Afghan family of 10 no longer needs assistance. The father is working three jobs and some of the children are working. The Society is providing food assistance to other two Afghan families. One now has US documents for work and is looking for employment. The other is still working on obtaining their documentation.
